

List of Saco Experiences:

Isfahan Potentialities and Abilities (2001)

The 1st Specialized Exhibition of Chemical Engineering, Plastic, Rubber, Polymer and Related Machinery (2001)

The 1st Specialized Exhibition of Electricity Industry (2002)

The 1st Specialized Exhibition of Information Technology and Communication (2002)

Conference and Exhibition of Quality Management in Water and Wastewater Industry and installations (2002)

The 1st Specialized Exhibition of Metallurgy, Forging, Molding, Forging and Machinery (2003)

The 1st Specialized Exhibition of Paint, Resin, Industrial Coatings and Chemicals (2003)

The 2nd Specialized Exhibition of Plastic and Rubber Industry and Related Machinery and Equipment (2003)

The 1st Specialized Exhibition of Water Industry and Water and Waste water Installations (2003)

The 2nd Specialized Exhibition of Electricity Industry (2004)

The 2nd Specialized Exhibition of Paint, Resin, Industrial Coatings and Chemicals (2004)

The 3rd Specialized Exhibition of Plastic and Rubber Industry and Related Machinery & Equipment (2004)

The 3rd Specialized and the 1st International Exhibition of Paint, Resin, Coatings and Chemicals (2005)

The 1st Biennial 1st International Exhibition of Water and Waste Water (2005)

The 3rd International Exhibition of Steel and Related Mines and Industries & the 2nd International Exhibition of Metallurgy, Forging, Molding, Foundry and Machinery (2005)

The 4th Specialized and the 1st International Exhibition of Plastic, Rubber, and Relevant Machinery and Equipment (2005)

The 2nd Specialized and the 2nd International Exhibition of Water Industry and Water & Sewage Installations (2006)

The 2nd Specialized and the 1st International Exhibition of Transportation, Transition and Customs Services (2006)

The 2nd Specialized and the 2nd International Exhibition for Home Furniture and Audio Visual Appliances (2006)

The 3rd International Exhibition of Electricity Industry (2006)

The 5th Specialized and the 2nd International Exhibition of Plastic, Rubber, and Relevant Machinery and Equipment (2006)

The 4th Specialized and the 2nd International Exhibition of Paint, Resin, Coatings and Chemicals (2006)

The 2nd Biennial International Exhibition of Electricity Industry and Telecommunication (2006)

The 3rd International Exhibition of Metallurgy, Forging, Molding, Forging and Machinery (2006)

The 1st Specialized Exhibition of Transportation, Transition and Customs Services (2004)

The International Conference the Role of Nuclear Fuel Cycle in the Development of Research and Technology (2006)

The 4th International Exhibition of Building Industry (Constructional Material-Equipment & Machinery) (2007)

The 2nd Specialized Exhibition of Heating, Refrigerating Systems and Installation (2007)
